## Green Bay Model Airplane Club Membership Application / Renewal

### Club Dues

All Regular members have full Flying privileges\* at our field, may participate in all club events, and may hold office.

\*Regular members must be current AMA members to exercise their Flying privileges at our field.

Associate members need not be AMA Members, are not allowed Flying privileges, and may not hold office.

Associate members may participate in all other club activities.

Dues are payable by May 1, and membership privileges shall cease if not paid by May 30<sup>th</sup>.

Make checks payable to Green Bay Model Airplane Club and mail with the top half of the application to;

Dick Albers, Sec/Treas  
2570 Carmel Lane  
Green Bay, WI 54311

For further information and AMA applications, contact Dick at 469-1035

### LEARN TO FLY THE RIGHT WAY FREE FLIGHT INSTRUCTIONS TO ALL MEMBERS

The **Green Bay Model Airplane Club** welcomes you to our organization. We are dedicated to the promotion of the wonderful and wholesome sport of model aviation. We encourage you to attend meetings regularly and participate in our numerous events. Once you have become a member, you will find that you have friends all over the world who share your enthusiasm for R/C flying. There are over 2000 chartered clubs in the United States, with many right here in Wisconsin.

Below are just a few of the many benefits of your membership.

**Free Flight Instructions** - Simply contact a qualified member instructor to set up your schedule. Don't take a chance with that expensive plane.

**Club Facilities** - You can use our flying sites at any time, conditions permitting, to fly or just come out and watch others. Your only restrictions are to follow posted flight rules at all times.

**Mentor Help** - Our mentor program is designed to help the beginner learn from someone who's been there. Team up with a member to get pointers on what to build, find out about the Club's flight and field rules, have a buddy at our meetings.

**Newsletter** - each month, well almost, you will receive the Club's official newsletter covering events of interest to it's members. Keeps you up to date on the latest happenings.

**Become a Leader** - As a regular member, you have the privilege to vote for Club officers and to become a candidate for any Club office yourself. In addition, you may help out in a number of areas including Contest Director, Newsletter Editor, Event Chairman, and more.

**Video Rentals** - Available for a nominal charge. A variety of airplanes, shows and events are highlighted in these tapes along with how-to information from covering your plane to flying it.

**Magazines** - As part of your AMA membership (all members are required to join the AMA) you will receive the Model Aviation magazine, filled with information from across the country about this sport. It includes coverage of major events, building tips, and much more.
